Autism Awareness Month

Easter/Spring 2021

Looking ahead: April

April is Autism Awareness Month! Join us in celebrating and understanding ASD by spreading awareness to your community and online!

Recognize the signs: Because Autism is a spectrum disorder, it can range from very mild to very severe and occur in all ethnic, socioeconomic and age groups. Males are four times more likely to have autism than females.

Some children with autism appear normal before age 1 or 2 and then suddenly "regress" and lose language or social skills they had previously gained. This is called the regressive type of autism.

As a pediatric dental practice, we see and treat all patients on the spectrum. Our doctors and assistants are trained and experienced in treating patients with ASD!

If you or someone in your community is in need of a practice that specializes and treats patients with Autism, we are currently accepting new patients! We look forward to continue learning and growing alongside our patients together!

We look forward to seeing you this month!

Easter/ Spring 2021

April 4th, 2021

Have an appointment on 3/31/21? We'll be giving out special Easter eggs with a surprise inside! Stop by checkout and ask our team members for your egg at the end of your appointment!

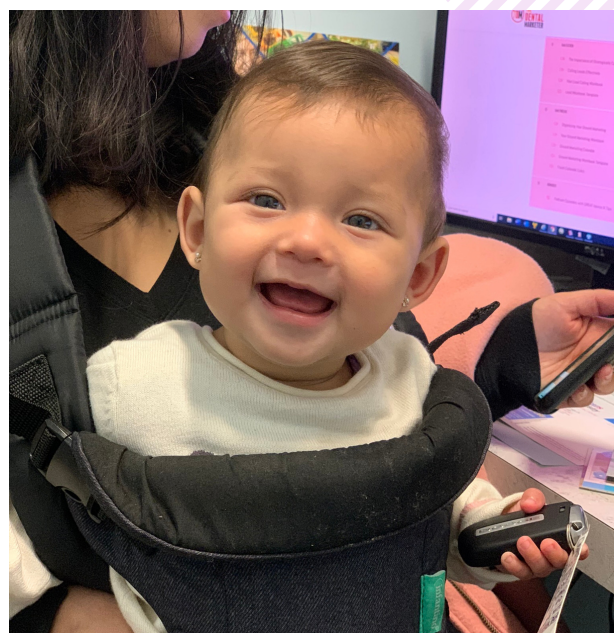

Our PPDAFO family is sending warm wishes to everyone in our community celebrating during this time! May the feelings of spring and new life bring peace and love to everyone!

New Patients Welcome!

We are currently accepting new patients as young as 6 months old if they have their first baby teeth erupted, as well as new patients for orthodontic consults as young as 7 years old, and don't forget: we also see adults for orthodontic treatment too!

Have your smile bloom this season and schedule in your New Patient appointment! Give us a call to schedule today at ☎ (703) 221-4040

We look forward to seeing you!

Looking Ahead

Coming in for a visit? Whether you're a new patient or returning, here's what you can expect in April:

- Covid-19 protocols still in place! Call or text 703-221-4040 for a virtual check in!
- Orthodontic Consultations are complementary! If you are coming in for a hygiene appointment and are interested in scheduling, you can schedule your appointments at check out!
- Autism Awareness Month Stickers at check out
- April Contest
