Vol. 1

We are so excited to welcome to our Orthodontics team, Dr. Minh-Phuong Le! Doctor "Lana Le" starts with our Potomac Pediatric Dentistry and Family Orthodontics team July 6th!

Dr. Zahra is passing on the ball to her as she moves on to her next big endeavor! We are sad to see Dr. Z go, however extremely happy for her newest career goal and cannot wait to see where she goes. She will always be a part of our PPDAFO family!

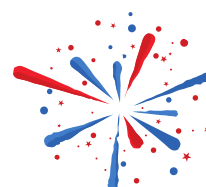

Dr. Lana Le come to us with an impressive background! She has a specialty training in Orthodontics from St. Barnabas Hospital in NYC. She's volunteered at local and international levels in nature conservation and medical/dental trips. In her free time, she enjoys yoga, practicing mindfulness and hiking!

As we work on our transition process, we will have Dr. Chang assisting throughout the month of July, and Dr. Zahra on select Wednesdays in August!

We are also adding on an extra Orthodontic treatment day to our work week! Starting in July, we will now be open for Orthodontic services and consults every Tuesday, Wednesday and Thursday!

As we continue working with our patients to provide outstanding orthodontic results, we wanted to thank our community of parents who are continuously supporting us through our change and period of growth!
